LEARN MORE

Master Makeup Artistry

QC's Master Makeup Artistry course provides well-rounded training in all areas of makeup artistry. You'll begin the course studying essential makeup techniques and progress to advanced makeup applications and business training - all with guidance from your expert tutor!

Learn about:

- Building your professional kit
- Sanitary practices and client etiquette
- Techniques for a full-face application
- Skin tones, face shapes & color theory
- Corrective makeup
- Beauty and bridal makeup
- Glamour and fantasy makeup
- High fashion and editorial makeup
- Theater and character makeup
- Complete business training
- And much more!

This course is perfect for you if you want to:

- Start a successful career in makeup artistry and don't want to limit your options
- Launch your own makeup artistry business or beauty salon
- Offer bridal makeup services
- Work in fashion, theater or film
- Impress top makeup brands with a diverse skillset
- Expand your skillset to different areas of makeup artistry

Airbrush Makeup Workshop

The art of airbrush is in high demand! This is especially true when it comes to bridal and special FX makeup. QC's Airbrush makeup workshop will teach you the fundamentals of using an airbrush effectively, and provide you with the skills and confidence you need to add this valuable service to your existing makeup skills.

Learn about:

- Airbrush tools and safety
- Practice techniques
- Color matching
- Applying foundation
- Contouring with an airbrush
- Combining colors
- Basic makeup application
- Using stencils
- Working with unique materials
- Creating fantasy characters
- Marketing your airbrush skills

This course is perfect for you if:

- You are enrolled in or have completed a makeup artistry course and want to study airbrush makeup
- You are a professional makeup artist interesting in upskilling and expanding your makeup business
- You plan to work in bridal makeup

Skincare Course

QC's Skincare course will teach you to be a professional skincare consultant. You'll develop the skills you need to help your clients achieve beautiful, healthy skin. Remember - skin is a makeup artist's canvas! By studying skincare, you'll add a revenue stream to your makeup business and better serve your loyal clients.

Learn about:

- Skin anatomy and skin types
- Different skincare tools and their uses
- How to address skin concerns
- Ingredients to use and avoid
- Recommending products to clients
- Building custom skincare routines
- Anti-aging skincare
- Conducting a skincare consultation
- Natural skincare products

This course is perfect for you if you want to:

- Add a new revenue stream to your business
- Start a career as a professional skincare consultant
- Work for a professional skincare line
- Enhance your makeup applications

Special FX Makeup

There's never been a higher demand for trained and talented Special FX makeup artists in the entertainment industry. These artists are used for theater, television, film, online videos, special events, and more! Special FX skills are highly transferable to a wide range of career paths.

Learn about:

- Safely using tools and equipment
- Creating ghoulish creatures
- Aging characters
- Applying bald caps
- Simulating injuries
- Working with prosthetics
- Creating a look based on a script
- Making industry connections
- Marketing your services

This course is perfect for you if you want to:

- Learn how to use new makeup products and tools
- Offer special FX makeup services to your clients
- Work in the entertainment industry

Pro Makeup Workshop

This advanced workshop is designed for trained makeup artists looking to take their skills to the next level. Celebrity makeup artist Nathan Johnson teaches you his best-kept secrets through course lessons and instructional videos. Learn the application methods that Nathan has used on hundreds of famous faces including Alicia Keys, Paula Abdul, Lea Michele and Paul McCartney.

Learn about:

- Makeup for the limelight
- Well-defined brows and intricate liner
- The extended smokey eye
- Creating the pin-up look
- Advanced bridal techniques
- Advanced use of glitter

This course is perfect for you if:

- You're taking Master Makeup Artistry and want to continue your education
- You have completed a makeup artistry course and want to learn more
- You're a professional makeup artist and want to expand your skills
- You're looking to offer additional professional services to your existing clients

Hair Styling Essentials

If you want to have your own makeup business, or you already have a successful business and want to expand, why not offer your clients something they can't resist?! Clients are already coming to you for beauty tips. Offering hair styling services is the next natural step. You will not learn how to cut hair. Instead, QC's Hair Styling Essentials course will teach you countless ways to style it!

Learn about:

- The anatomy of the head and hair
- Foundational hair styling techniques
- Finger waves
- Pin curls
- Braiding styles
- Creating updos
- Hair extensions
- Male grooming
- Hair styles from different periods
- Starting a hair styling business
- Marketing your services

This course is perfect for you if you want to:

- Learn about hair styling
- Offer hair services to your makeup clients
- Work as a studio stylist in film and television
- Work in the high-fashion industry

Portfolio Development Workshop

Ready to take your makeup business to the next level? If you're looking to attract new clients or enhance your existing business, a jaw-dropping portfolio is essential. Clients are already impressed with your work—now it's time to showcase it in a way that truly stands out. QC's Portfolio Development Workshop will guide you through creating an exceptional portfolio that captivates and impresses!

Learn about:

- Building a professional portfolio
- Planning and executing styled shoots
- Creating digital and physical portfolios
- Marketing your portfolio
- Accessing industry discounts
- Networking with other artists

This workshop is perfect for you if you want to:

- Showcase your skills with a standout portfolio
- Attract and impress clients
- Expand your business
- Connect with industry professionals

Personal Styling Course

QC's Personal Styling Course provides well-rounded training in all areas of personal styling. You'll begin by exploring foundational elements—such as wardrobe essentials, color theory, and fashion history—and then advance to specialized topics like sustainable and accessible styling. You'll also receive built-in business training and personalized feedback to help you launch a successful career as a personal stylist!

Learn about:

- Wardrobe Essentials & Capsule Building
- Color Theory & Application
- Sustainable & Accessible Styling
- Personal Shopping & Virtual Consultations
- Building Your Digital Presence

This course is perfect for you if you want to:

- Start a new career in personal styling—no previous training required
- Launch your own freelance or agency-based styling business
- Help clients discover their best looks for different occasions
- Work in bridal styling, fashion retail, film/TV, or personal shopping
- Develop a strong online portfolio and social media presence
- Obtain professional certification and elevate your credibility

Receive a Bonus Luminous Makeup Kit

When you enroll in the All-Access program, you'll receive a gorgeous 8-piece bonus kit. This kit includes a wide selection of shades, giving you everything you need to practice your techniques on a diverse clientele.

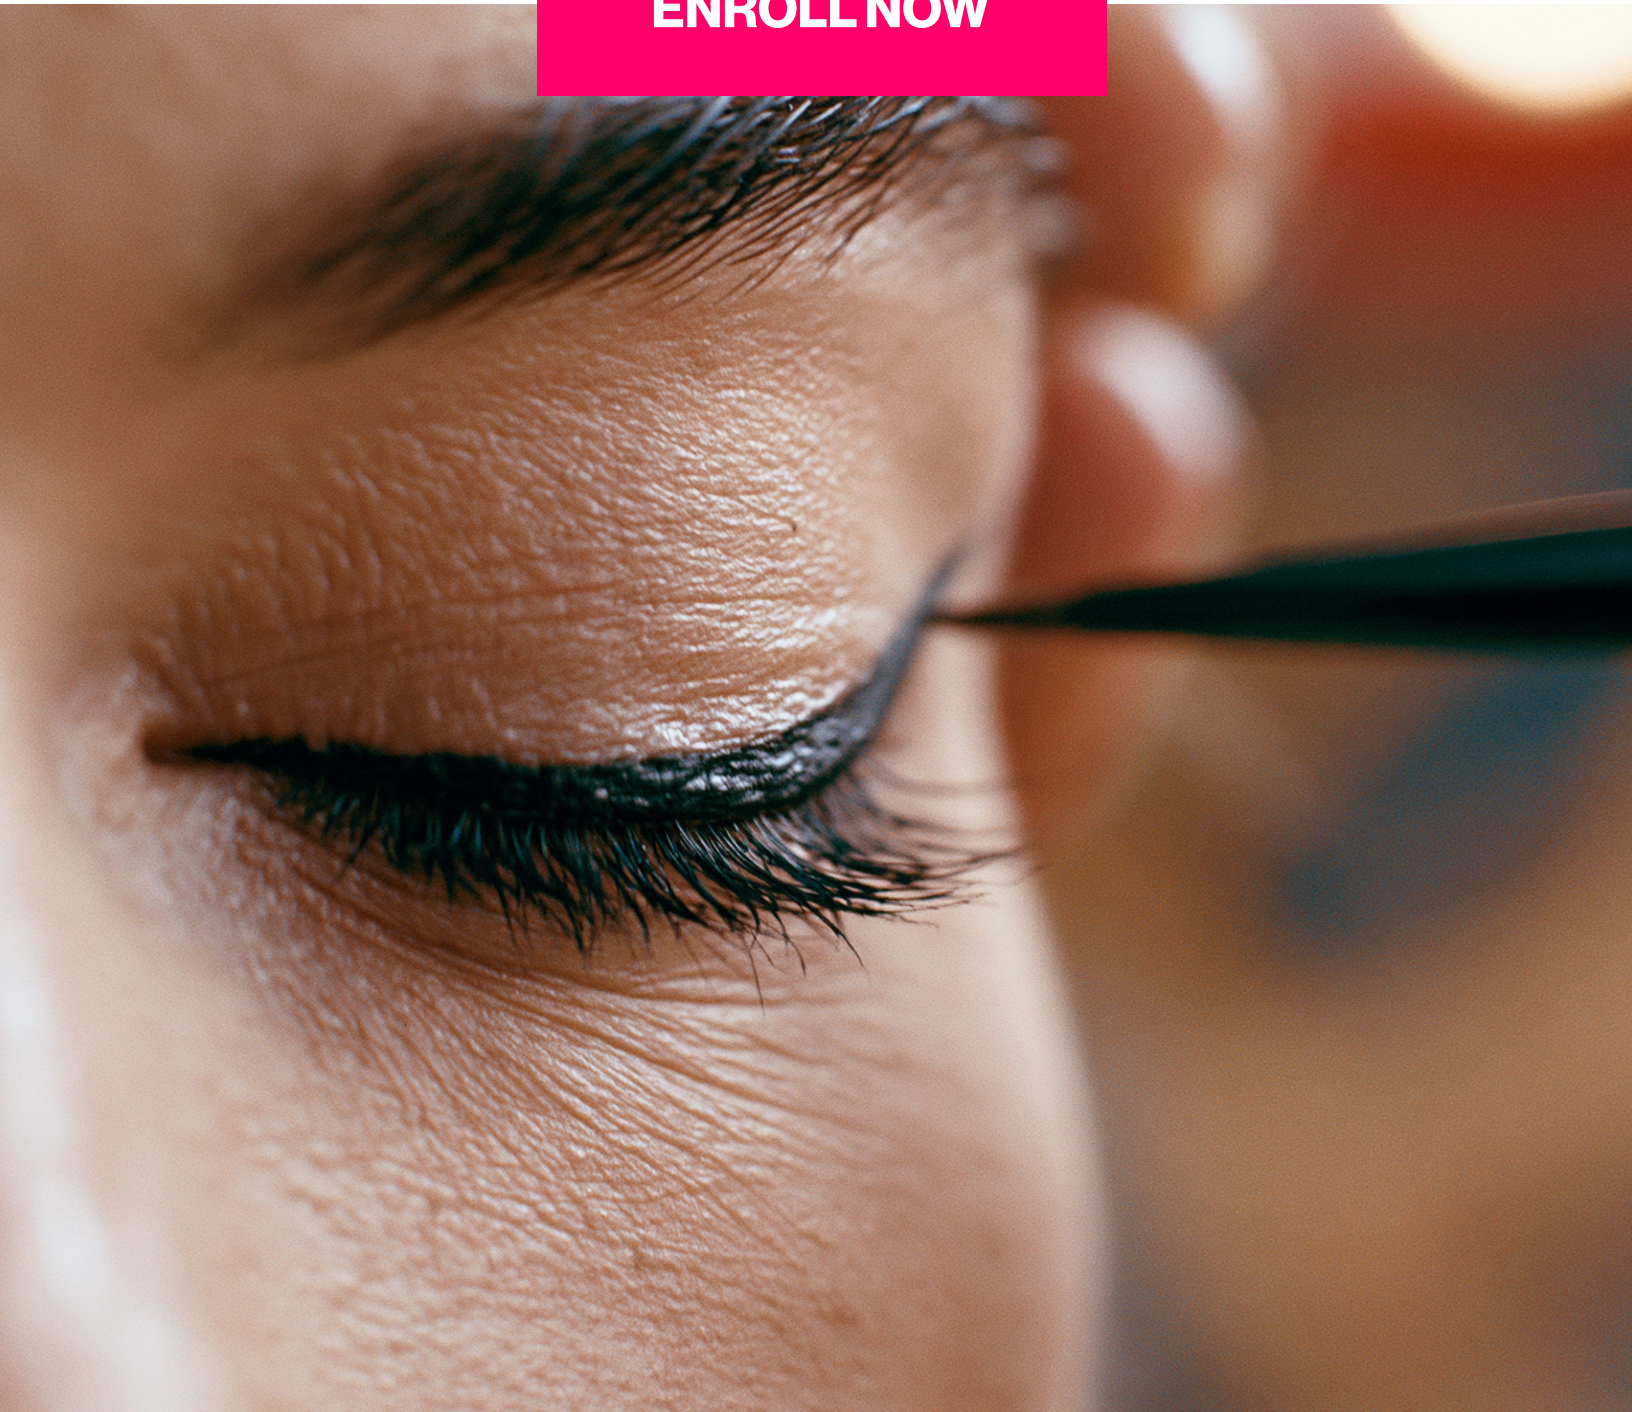

Please note: Makeup kit items and contents are subject to change based on availability.

Tuition & Payment Plans

With QC, you can choose to pay your tuition in full to receive a discount or opt into our convenient payment plan! You can save up to 65% on total course fees by enrolling in the All-Access Program.

How Online Learning Works

QC Makeup Academy has worked with some of the best artists in the industry to create a comprehensive training program that you can complete from the comfort of your own home. You can receive the hands-on experience and feedback you'd get in a traditional classroom, with all the convenience of online learning.

1

Enroll Online & Receive Your Course Materials

When you enroll, you'll receive access to QC's Online Student Center where you'll find your interactive course lessons, instructional videos and assignments.

Work Your Way Through the Course

Each course is split into learning units. Carefully complete your course lessons and instructional videos before you complete your assignments. Get stuck? No worries. QC's Student Support specialists are here to help!

2

Review Your Tutor's Feedback

Once your tutor has graded your unit, you'll receive their detailed audio feedback. You'll learn about what you did well and how you can improve. Listen carefully and keep this feedback in mind as you begin work on the next unit. Watch how your skills improve as you progress through the course!

Submit Your Assignments

Throughout each unit, you'll have a combination of written and practical assignments designed to help you hone your skills. Once all the assignments for a unit have been completed, you'll submit the unit to your tutor to receive your grade and personalized feedback!

Graduate & Receive Your Certifications

Your credentials stack as you learn! Earn a professional certificate for each course you complete, and finish the full program to unlock your capstone credential as an International Elite Beauty Professional.

ENROLL NOW

Industry Experts Evaluate Your Work

All QC courses are taught by professional makeup artists who have years of experience in the beauty industry! When you enroll with QC, you'll be paired with an expert tutor who will grade your assignments and provide you with personalized audio feedback based on their professional experience. Your audio feedback will contain tips and guidance to help you develop your skills and technique, and reach your full potential as a makeup artist.

Support Every Step of the Way

When you enroll with QC, you'll have unlimited access to our team of specialists who understand the ins and outs of your course and the industry you're studying. Reach out to them as often as you'd like throughout your course, and even after you graduate!

If you have any questions about your enrollment, course selection or need some career advice, QC's friendly and knowledgeable Student Support Specialists provide you with an encouraging and helpful learning experience. If you have questions about your course work, our dedicated team of teaching assistants are ready to help with your lessons and assignments.

An International Community that Keeps You Connected

You'll have many ways to connect with QC's international makeup community to gain inspiration and share ideas. With QC, learning doesn't stop when you graduate. You'll enjoy continued support from our international community long after you've completed your studies.

- Join our private Virtual Classroom Facebook group where you can interact with your peers, share your work and get feedback as you practice your assignments
- Get career advice and access to special offers through the Student Center
- Get exclusive makeup discounts through QC's preferred partners

Love From Our Graduates

I've grown so much in the year that I've been enrolled with QC. I had to throw out everything I thought I knew, in order to truly learn the proper techniques I was being taught... and thank goodness for that!

Jessica Lee

Master Makeup Artistry Graduate

Nathan Johnson is a professional, through and through. He believed in me, and I would not be where I am today if not for his guidance and tough love!

Vanessa Hernandez-Munoz

Master Makeup Artistry Graduate

I've always dreamt of a makeup career and chose QC Makeup Academy for its international accreditation. It's such a rewarding feeling to make someone feel beautiful with makeup.
